

## Mold Breaking and Lecture on Daum

Pate de Crystal

Saturday, November 1<sup>st</sup>

10:00AM

*Come & Meet*

*Thomas Zimmerman*

Executive Vice President, Daum

and

Gene Lawrence

Sales Representative, Daum USA

**Thomas and Gene will lecture on the history of the Daum Manufacturing process and the company's collaboration with many artists throughout the last century.**

**Thomas and Gene will break free a piece of crystal from its mold, demonstrating one phase of the difficult process of "the Lost Wax Technique"**

Daum Crystal is a luxury brand that has been in constant production for over 130 years. Artists of every epoch have worked with Daum and seduced collectors from around the world through countless movements of the last century. Spearheading innovative artistic expressions of well over 350 artists, Daum has pushed the limits of contemporary glass making.

**Collections on view will include works by Salvador Dali and Georges Braque. Modern Day Artist works from Emilio Robbia and Richard Texier.**

A GALLERY EVENT!
